It is advised to check the swim lesson schedule on page 12 for dates of possible early closings.

Anchored Down Aqua:

This class targets everyone with an action-packed workout for the abdominal and gluteal areas. Progressive water exercises are programmed to strengthen, define, and tone!

Squeaks n' Creaks:

An arthritis-based water exercise class offering an impact-free method of exercise for affected joints and muscle groups requiring that special touch. Cardio work is not omitted from this class. Perfect for the beginner or a back-to-fitness exerciser.

New! H2O Cardio Class:

It is a low impact, fast-paced class aimed to up your heart rate and burn those calories off. Don't be fooled though. After your cardio section, there will be time to target the abs, tone your arms and lift that bottom with special moves that only the water allows.

Gentle Joints:

A perfect class for those who require impact-free exercise while increasing strength and balance. Work through a full range of motion for flexibility benefits. Great for those with limitations such as arthritis, orthopedic problems, fibromyalgia, and for beginning exercisers. Takes place in the shallow end of the indoor pool.

Deep H2O Exercise:

Knowledge of swimming is not required. Using hip flotation belts, this great workout develops aerobic endurance and muscle conditioning. Perfect for those with impact limitations!

Toning:

This class is for participants who are seeking more strength and toning than offered in our other classes, focusing on a total-body strength workout on abs, upper and lower body! Stay after the 4:30-5:30pm class or come early for the 6:00-7:00pm class.
